

Welcome to the Highlands Ridge 18 Hole LGA!

We are so pleased that you have decided to join our group of ladies. We usually play golf on Mondays and Wednesdays. Here are some other details to help make your transition into the LGA a smooth one!

1. Play dates: Monday (South Course) and Wednesday (North Course)
2. If you want to play on Monday please sign up by Friday, 5PM. For Wednesday play, please sign up Sunday, 5PM.
3. The place to sign up is the "Sign-Up Room" located at the South Course. You will find the information on the left hand counter. Also above that counter is an information board about upcoming events.
4. There are some events that you will need to sign up for in the Pro Shop. There's a notebook as you walk in to the right. These events are usually ones that involve meals and money. Money is paid at the cash register area and should always be paid by check. Pay when you sign up, that way you won't forget. Sign your name and print your check #. Thanks!
5. Dues are paid in the pro shop, too! Currently they are \$18.00.
6. For the most part it is morning play: March–December, but for two months, January & February it is late morning and afternoon play. Sometimes it is tee times and sometimes it is a shot-gun start.
7. Tee times, teams and hole assignments are posted by the pro shop, usually the day before you play. You can also access this information at www.highlandsridgegolf.com
