# Policies, Rules, Regulations

*Below are current membership policies and procedures for your review. We thank you for taking the time to review these and look forward to your continued patronage.*

## General Membership Rules and Regulations

Positive membership behavior at **Highlands Ridge Golf Course** means being a great teammate in our community: arrive on time for tee times, check in before play, and cancel with notice so others can use open slots. On the course respect pace-of-play, replace divots, repair ball marks, rake bunkers, and dispose of trash. Treat fellow members and staff with courtesy, follow dress and alcohol policies, and ensure guests model the same standards. **Refrain from disparaging remarks about employees, management, or ownership—on property or online; direct any concerns to the GM or through our feedback channels so we can resolve them promptly and respectfully.** Settle tabs and dues promptly, use our app/email to book and share constructive feedback, and support club events when you can. Above all, represent Highlands Ridge well so every visit is welcoming, efficient, and fun. **Failure to comply with these standards may result in suspension or termination of membership privileges.**

## Zero Tolerance Policy

We maintain a zero-tolerance policy for any type of harassment toward other members, employees and guests. Should a claim of harassment be reported, we will perform an immediate and thorough investigation. If it is determined, based on the results of our investigation, that a member is in violation of this policy, he/she will be subject to disciplinary action, up to and including the suspension or revocation of membership. Members facing such disciplinary action will not be entitled to a refund of any unused paid portion of the membership.

## Golf Cart Rule

Only active members who have signed a cart agreement and have insurance coverage may use their cart on the course. When using the course, we encourage members to please adhere to the following cart rules:

- All four tires of carts should be kept within the cart path boundaries at all times. However, should a member have a handicap flag on his/her cart, he/she may drive it up to flat areas around greens and tees.

## Tee Times

**All members must register in the Pro Shop, or with group leader to receive a ticket and must check in with the starter before going out to play.**

Should a member wish to cancel a tee time or reduce the number of players in his/her party or group, as a courtesy, we kindly request that you contact the pro shop 48 hours in advance so that the club can make the tee times available to other members and guests. If it is less than 48 hours, please call or stop by the golf shop as early as possible to allow standby golfers the ability to play.

## Pace of Play

All members are strongly encouraged to complete play in under 4 hours; if your pace of play is slow, please allow the group behind you to play in front of you.

## **Dress Code**

Casual attire is permitted throughout the clubhouse, practice facility and golf course. Men's casual attire includes collared shirts and shorts or slacks. Denim shorts or pants are not permitted. Ladies' casual attire includes collared or non-collared shirts.

## **Games & Group Tee Times**

One of the unique features of our club is the variety of activities it provides to its patrons. We offer various "games" to our members throughout the week. In order for new members and/or existing members to participate in these games, they either sign up or receive information about the "game" on the club's bulletin board, which is also a great way for our staff to showcase the activities and "games" that our club has to offer potential new members.
